Balls: Kookaburra White Club Match (Championship), Kookaburra Red Senator (Cup and Bowl)

Bowling Restrictions: All bowlers can bowl a maximum of 10 overs. Maximum of six overs per spell for seamers and they can't bowl again until the equivalent number of overs has been bowled from that end

No Balls:

- ⇒ Any high full pitched ball, regardless of pace, which passes or would have passed above waist height of the batsman standing upright at the crease shall be called no ball
- ⇒ All other No balls, including to front foot placement, shall apply
- ⇒ A free hit shall apply to ALL No Balls
- ⇒ In the event of a No ball being called, one extra will be added to the batting teams total, in addition to any runs scored from the bat, byes or leg byes

Helmets: It is compulsory for wicket keepers in all Youth Grades to wear a helmet when standing up to the stumps. Any fielder within 10 meters of the batsman, other than slip/gully positions, must also wear a helmet

Fast Short Pitched Bowling:

- ⇒ A bowler shall be limited to two fast short pitched deliveries per over. Any additional fast short pitched deliveries should be called and signaled no ball
- ⇒ This is defined as a ball that would have passed over the shoulder height of the striker standing upright at the crease but not clearly above the batsman's head. A ball that passes over the head and prevents him from being unable to play a normal cricket shot shall be called a wide

Wides:

- ⇒ Wide calls are subject to the judgment of the umpires. In one day cricket, if a ball passes on the off side sufficiently wide to make it virtually impossible for the striker to play a normal cricket stroke from his normal guard position the umpire shall call and signal wide. If the ball pitches outside leg stump and moves further away to leg the umpire shall call and signal wide. The aim should be that consistency is maintained during the match
- ⇒ If a wide is scored, one run shall be scored. Any further extra runs shall also be added to the score
